Applicable general terms and conditions, applicable law and dispute settlement:

This document and the transactions contemplated herein shall be governed by the general terms and conditions of purchase applied by the Marel companies (version 2.0).

These general terms and conditions of purchase are hereby incorporated into this document by reference and are enclosed to this document. A copy will be sent to you upon your first request. Any additional or different terms proposed by supplier are hereby explicitly objected to and rejected by Marel. These general terms and conditions of purchase include amongst other items a clause about applicable law and an arbitration clause. These general terms and conditions of purchase applied by the Marel companies (version 2.0) have been deposited at the Dutch Chamber of Commerce under number 34285879.

Please pay special attention to clause 18 about compliance and privacy that includes information about these two subjects and confirmations by you. Make sure that you share this with persons whose personal data you will send to us.
